

GEMINI™ 8 TO 32 ZONE HYBRID CONTROL

GEMINI

P1632

1632 Pro-Pak featured here.

The GEMP1632 Hybrid Control, a Field-Proven Powerhouse with from 8 to 32 Zones, Just Got Even More Flexible with a Choice of 3 Keypad Styles and 4 Ways to Increase the Number of Zones, Too.

- **Have it Your Way:** Choose from any of 3 Backlit Keypad Models, or Mix and Match up to seven of them.
- Select the best-selling Custom Alpha Dual Line RP1CAe2 for deluxe applications, or the Alpha/Icon RP2ASe2 for standard installations, or the affordable, New! Digital Display RP3DGTL for easy use and great mass-market appeal.

- **Expand it Your Way:** With traditional EZM Zone Expansion from any Custom Alpha Keypad's Built-in 4-Zone Expander, 8 Zones with the Standard EZM-8 or try the new economical GEM-EZM4/8 Zone Expansion Module for a true competitive edge, or just double the on-board zones with Napco's EZ-Zone Doubling!

The Power of Innovation
